

## REACH Statement

We hereby confirm that Naostage, in pursuance with the EG Regulation 1907/2006 (REACH), will fulfil all applicable requirements as specified in the REACH Regulation.

According to the current state of our knowledge and based on the statement of our suppliers, no SVHC are contained in our product or their packaging in a concentration above 0.1 %.

We are in constant contact with our suppliers that are obliged, in pursuance with REACH Article 33, to inform us immediately if the delivered raw materials contain any SVHC (Substances of Very High Concern) above 0.1 % by mass.

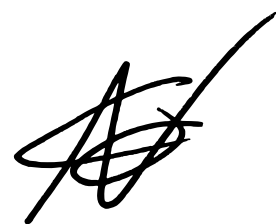

Naostage will continuously review the ECHA "Candidate List" for additions and updates and act accordingly in compliance with REACH regulations.

In the extremely unlikely situation that a Naostage product is found to contain SVHCs more than 1000 ppm by weight, Naostage will comply with the notification procedures to the authorities and recipients required under REACH legislation.
